REMARKS

The specification has been amended to add a Related Applications section including the identified PCT and British patent applications and to amend the claims and specification to better conform to U.S. practice. The amendments to the claims are based on the claims as amended by the amended sheets received by the European Patent Office on August 9, 2005 and published with the International Preliminary Report on Patentability.

Please enter this amendment prior to calculating the fee in this case. Applicants respectfully request substantive examination on the merits.

Respectfully submitted,
